My best friends are Sophie and Matt. Sophie is 15 years old and she lives near me with her mum and dad, brother and sister. Her hair is long and curly and she's got green eyes. She likes playing tennis and football and she's a great friend.

Matt is 14 years old and he lives with his mum, granddad and four sisters in a big house. He's really tall. His hair is short and black and he's got blue eyes. We're in the same class at school. We both like music, books and comics.

My best friends are great!
