Do you ¹ know where the word 'robot' comes from? Czech writer Karel Čapek first ² used it. In 1920, Čapek ³ wrote a play called R.U.R. (Rossum's Universal Robots). The play was the story of a group of robots who ⁴ fought against the human beings they had to work for. Čapek ⁵ created the word 'robot' from the Czech word 'robota', which means work that powerful people make other poorer and weaker people do.
