

Danger in our Food

Name Class Date

Before you watch

1 Complete the text with the words in the box.

are call can made prepare wash

All living things are made up of cells. Bacteria
¹ some of the smallest living things on
earth. They are only ² of one cell. That
is why we ³ them single-cell organisms.
Bacteria are everywhere – on your teeth and skin, in the
toilet and in food. Bacteria in our food ⁴
make us very ill. Some bacteria are good for us and help
to keep us healthy. But other bacteria are very bad for
us. That is why you should ⁵ your hands
before you eat or ⁶ food.

While you watch
