

## Story Under the Sea

Name ..... Class ..... Date .....

### Before you watch

#### 1 Match the words with the definitions.

- |             |                                 |
|-------------|---------------------------------|
| 1 ancient   | a very old                      |
| 2 giant     | b a building                    |
| 3 structure | c symbols that give information |
| 4 marks     | d very big                      |

#### 2 Complete the sentences with the words from Exercise 1.

- We found an unusual ..... in the mountains.
- It was a ..... stone tower.
- It had ..... on the side, but we couldn't understand them.
- We think it is an ..... tower, something from thousands of years ago.

### While you watch

#### 3 Watch the first part of the video (up to 01:21). Put the sentences in the order you hear them.

- ☐ Not many people live on these islands, so it's quiet and calm.
- ☐ But far to the southwest there is a very different part of Japan.
- ☐ But maybe Yonaguni has more stories ... ancient stories from under the sea.
- ☐ Yonaguni is part of Japan, but it has its own language and culture.
- ☐ About a thousand people live on this small, beautiful island.

#### 4 Watch the second part of the video (from 01:20 to 02:10) and answer the questions.

- What does Kihachiro Aratake do?  
.....
- Where did he find the giant stone structure?  
.....
- What did the structure look like?  
.....

#### 5 Match the sentence halves. Then watch the final part of the video (from 02:11) to check your answers.

- |                         |   |
|-------------------------|---|
| 1 Some scientists think | a stories in the stone?                         |
| 2 They say              | b build this structure?                         |
| 3 Did people            | c it was once above the water.                  |
| 4 Did they write        | d the structure is over ten thousand years old. |

### After you watch

#### 6 Work with a partner. Ask and answer the question.

Do you think that people built the stone structure or do you think that it was created naturally?
