Hi Sarah,

Please can you help? The party starts in three hours and I haven't got anything ready! Perhaps you could come over to my house. I am so disorganised ... it is clearly all my fault but I don't know what to do! I don't have any food and the house is a mess.

Lucy

Hi Lucy,

Don't worry! We've got plenty of time. I'll go shopping if you clean the house. You don't need to worry, I'll be there in an hour and we can prepare the food and drink together. It'll be fine, I'm sure.

Sarah
