Dear Auntie Ruth,  
I am writing to you because I don't have anyone else to talk to. I have a problem and I need your advice. I have been best friends with Ruby since we were eight years old but last year she moved to another school. I haven't seen her for over a month because she spends all her time with her new friends. I have tried talking to her but she never answers my texts. My mum says I shouldn't worry but I miss her. If she came to my house, I would be so happy. What do you think I should do?
