I bought a new video game yesterday. I was really excited about it, but I had to ask my brother to give me a hand to start playing it. He said all I had to do was plug everything in correctly, but I'm not very good at things like that. He showed me how to do it. It was very simple, really, but he was really kind and patient. I must buy him a present to say thank you!

My parents were complaining all day yesterday. They said I was spending too much time on the computer. They said I should only spend one hour a day playing my new game. So now I have to do my homework, I also have to help in the house and garden and I have to clean the car ...
