

### Review: units 6, 7 and 8

I'd like to ride a horse in the merry-go-round!

Great idea! I'd like to throw some balls in the coconut shy too.

Yes, OK, but first let's go to the drinks stall: I'd like to drink some lemonade.

Look, Cindy, can you see the horses?

Yes, they're very nice. What are those animals?

They're sheep. How many sheep have the farmers got?

1, 2, 3, 4 ... 5. They've got five sheep.

Playing baseball is fun. I like playing baseball.

Me too. And I like playing hockey.

Oh, I don't.
