Reading

Read about the mayor and the new museum.

I'm the mayor of the city and this morning I'm going to open a new nature museum. It's bigger than the old nature museum. It's got five big rooms and in the biggest one there's a fantastic exhibition about kangaroos. The smaller rooms are great too. You can learn about the lives of pandas and their cubs or watch a film about bat pups learning to fly! I think the new museum is better than the old one because there are lots of beautiful photos. Also, there's a new statue of a giraffe outside the museum. It's the tallest statue in the city. The museum has got a small restaurant. It's open from half past twelve to quarter past two. I'm going to have a bowl of soup and a roll there after I open the museum. And don't forget, now you can buy tickets faster than before at the new website www.newnature.com

My favourite musician is Taylor Swift. She's from America and she's twenty-four years old. Her hair is curly and fair and her eyes are blue. She's very tall and I think she's beautiful.

She writes songs, plays the guitar and sings. She always travels a lot because she has concerts in different countries. I think she's got four houses!

My favourite Taylor Swift song is 'Shake it off' because it's a happy song and the video is funny. I listen to her music in my bedroom after school and I sometimes dance too.
