SAFARIS

We have been in the business of organising safaris for many years and we can cater for all budgets. At the top end, we provide luxury accommodation with personal guides who will escort you in your own jeep. For people on a budget, we provide group safaris based at camp sites around the game parks.

Trekking

To join one of our trekking tours, you need to be fit – you walk for hours every day. And it isn't easy walking – there are lots of steep hills. We advise people interested in joining our groups to start training at least six months before travelling. It is important to be fit enough so that you can enjoy the experience.

Sailing

Nothing could be more enjoyable than sailing round the islands in the Mediterranean when the sun is shining and the sea is blue. Don't worry if you haven't sailed before as we have experienced sailors on all our yachts. We make sure that all our boats are fitted out to the highest standards so that your holiday is stress-free and comfortable.

Skiing

Whether you're a beginner or an experienced skier, we can offer you the perfect mountain holiday. We have run skiing trips in France, Switzerland and Italy for many years. This year we are also offering skiing trips to Bulgaria. These are designed for people with limited money and a desire to explore new destinations.

Summer camps

We organise international summer camps all over the world, catering for teenagers between 13 and 17 years old. These camps provide the ideal opportunity for kids to learn new skills and make new friends, all under the supervision of our trained staff. The cost includes all food and accommodation plus two activities per week.
