### 4 Review

Translate the dialogue into your language. Write the translation in your notebook.

**Jackie:** That dress looks great on you! I love those vintage styles.

**Ally:** Thanks! I used to love dressing up when I was little. My sister and I would go through my mum's old clothes and try on all her dresses from the 80s.

**Jackie:** That sounds like fun! They used to wear really cool clothes back then.

**Ally:** Look at this cotton skirt! Do you think it suits me?

**Jackie:** Yes! Why don't you try it on?

**Ally:** Did your parents use to like music back in the 80s?

**Jackie:** Yes! I found an old guitar in the attic the other day. I hadn't realised that my dad used to play in a band when he was young.

**Ally:** Did he use to wear leather jackets and have long hair?

**Jackie:** I'm not sure. He was keen on rock music and I found lots of records of bands that I'd never heard of!
