

Speaking practice

There are six speaking practice tests: two per term. Each test consists of two worksheets- one for Student A, one for Student B. The worksheets are in two parts- one part contains question prompts, the other information.

Procedure

Student A begins by asking questions using the prompts on their worksheet; student replies using the information on their worksheet. After they finish, they change roles.

Evaluation

Assessment should focus on three areas:

- Grammar and Vocabulary
- Pronunciation
- Interactive Communication
